At Nullo, we redefine outdoor living, offering you the canvas to seize the day, relish in the artistry of outdoor culinary experiences, and bask in the warmth of glowing firepits amidst a setting that mirrors your exquisite taste and discerning lifestyle.

MADE IN CROATIA

From the Adriatic's shimmering coastline to Croatia’s renowned craftsmanship, we draw inspiration from the beauty, flavors, and culture of the Mediterranean lifestyle to create spaces that celebrate connection, nature, and unforgettable moments.

About Nullo

Sustainable Materials | Bespoke Designs | Expert Craftsmanship

At Nullo, we are driven by a passion to create extraordinary outdoor spaces. Our designs fuse timeless elegance with cutting-edge innovation, turning your outdoor area into a sanctuary of style and functionality. From hand-selected materials to bespoke designs tailored to your vision, Nullo delivers an experience that goes beyond expectations.

You imagine it, we bring it to life.

Customisation is at the heart of everything we create. With modular systems designed for flexibility, every Nullo product is fully customisable, tailored to your vision, down to the last detail.

Our values are rooted in exclusive design, premium quality, and high endurance - delivering outdoor pieces that are as visually striking as they are built to withstand the test of time.

VERTU

RIVA

ARDEN

Advanced. Architectural. Arden.

Arden represents a new generation of outdoor kitchens. With bold architectural geometry and innovative structural design, it introduces a concept that goes beyond conventional outdoor cooking spaces.

ULTIMO

Understated. Uncompromising. Ultimo.

Ultimo is a refined outdoor kitchen that blends modern elegance with practical design. With sleek lines, premium materials, and smart features, it creates a seamless flow between indoor and outdoor living.

SENSE

Stylish. Social. Sense.

Sense evokes connection – through design, atmosphere, and experience. With its sleek bar-style layout, integrated grill, and generous worktop, it creates a seamless setting for culinary creativity and relaxed gatherings.

VERTU

Versatile. Visionary. Vertu.

Designed to reduce clutter and maximize efficiency, Vertu turns your outdoor space into a streamlined cooking and hosting experience, built to endure and made to impress.

RIVA

Refined. Relaxed. Riva.

Riva captures the spirit of Mediterranean living with a design that blends coastal charm and contemporary elegance. With smooth lines, warm tones, and a relaxed bar-style layout, it invites you to slow down.

LINEE

NARDO

Next-generation. Nuanced. Nardo.

Nardo is a contemporary fire pit designed to bring warmth and atmosphere to outdoor living. With its sculptural geometry and refined materials, it becomes a striking centerpiece where natural firelight enhances the experience of gathering outdoors.

CUBO

Compact. Clean. Cubo.

Cubo is a refined outdoor firepit that merges modern minimalism with timeless warmth. With clean lines, premium craftsmanship, and a subtle aesthetic, it creates a stunning focal point for any outdoor setting.

HEXTY

Hexagonal. Harmonious. Hexty.

Hexty is a striking hexagonal firepit that brings sculptural beauty and functional warmth to your outdoor space. Its clean lines and geometric form elevate any setting, while the thoughtful shape enhances heat distribution.

MAGNUM

Monumental. Modern. Magnum.

Built for strength and crafted for comfort, Magnum offers warmth, durability, and a welcoming atmosphere that is perfect for gathering, relaxing, and soaking in the glow.

NURU

Narrow. Nuanced. Nuru.

Nuru is the pinnacle of outdoor refinement - a minimalist firepit that balances subtle beauty with high-end craftsmanship. With its elongated silhouette and flawless finish, it allows the flame to take center stage.

DIAMANTE

Daring. Distinctive. Diamante.

Diamante is a bold statement in outdoor living - a firepit that fuses architectural edge with refined elegance. Its angular, diamond-like form catches the eye from every angle, creating a dramatic focal point.

LINEE

Linear. Luxurious. Linee.

Linee is a masterclass in modern minimalism – a firepit that embraces clean geometry and rhythmic texture. Its elongated lines and sleek profile evoke a sense of calm sophistication, making it the perfect centerpiece for contemporary outdoor spaces.

Book Matching is the practice of matching two or more slabs, so that the adjoining surfaces mirror each other (like an opened book), to match up the design, the movement and the vein patterns in the material and create a seamless decorative flow which gives rise to genuine works of art.
